*This Sunday's image of how the risen Christ shares his life with us is the image of the vine. Christ the vine and we the branches are alive in each other, in the mystery of mutual abiding that we read of in the gospel and the first letter of John. Baptism makes us a part of Christ's living and life-giving self and makes us alive with Christ's life. As the vine brings food to the branches, Christ feeds us at his table. We are sent out to bear fruit for the life of the world.*

### Lay your head on my pillow...

Starting the First Sunday in May we will be Commencing The Monthly Giving Program to benefit Refugee families serviced by LSS. As you know, these new Americans come to New Hampshire with hopes and dreams for a new start in a safe welcoming environment. However, the necessities of daily living, which we all are so lucky to have and likely not even notice become ever more important. Each month we will be collecting basic household and personal care items to be distributed to local Refugee families.

May is pillow month, there will be a playpen in the entryway to collect our donations. Our congregation will be sending a group to Synod Assembly at the end of the month and they will be presenting our pillows at that time.

Gift cards to Walmart aren't as big or fluffy but they are just as appreciated!

**June 7 begins our one-worship service schedule, 9:00 am only.** This is also the date for our congregational meeting.

Be a part of CtK's 4th annual

**Boy, do we have quilts!**

The quilting group of our Sarah Circle from Women of the ELCA (WELCA) dutifully created many quilts during many Thursday mornings. They are hanging from the rafter in the choir loft and adorning our altar today. One quilt has been set aside for auction. The winning bid will get the quilt. Proceeds from the auction will offset shipping. The quilts will be distributed throughout the globe through the work of Lutheran World Relief ([www.lwr.org](http://www.lwr.org)) and locally to the Antrim Girls' Shelter (<http://www.lssne.org/Children-and-Families/Teen-Residential-Services/The-Antrim-Girls-Shelter.aspx>). Thank you to CtK's WELCA!

## MAKE IT A 3-D WORLD...

Remember how exciting those 3-D movies were! Talk about “Reach out and touch someone”..you felt you were there in those movies with the lion jumping out at you or you on a rocket riveting into outer space. The world has changed in the last 50 years and so have those “special effects” in movies, but our foreign aid system is still stuck in the past. Currently our government’s global development policies and programs are scattered across 12 department, 25 different agencies, and nearly 60 government offices. A more efficient foreign assistance system—with better coordination, better accountability, better clarity—means that people get faster and more effective help. A streamlined process will increase the value, impact, and transparency of U.S. international development investments. Bread for the World’s Offering of Letters is asking our members of Congress to reform foreign assistance which means **less waste and better value** at a time when our government leaders must make hard economic choices. Effective foreign assistance creates more stability and lasting solutions to the difficult problems our world faces.

However, let’s not forget how real the 3-D movies were to us where we were actively part of the plot. MAKE IT A 3-D WORLD where DEVELOPMENT aid is as important as DIPLOMACY AND DEFENSE and again people will actively be a part of the change in their own lives. A holistic plan for foreign aid needs to include self sufficiency for individuals and ownership by the country receiving the aid. After providing foreign aid to fight AIDS and malaria for a woman in Kenya, let’s give a **hand-up** so she can learn new skills and get started on a small business that will lead to self-sufficiency. Let’s partner with organizations within a country so that an NGO (nongovernmental organization like LWR) which taught a Nicaraguan man how to make organic fertilizer for growing coffee can follow through in getting land from a land bank project so he can plant a coffee farm and see those plants mature. Consulting with local communities can help expand the focus of foreign aid so that people can lift themselves out of poverty.

It’s just as exciting to *foster* lasting peace and prosperity in a **real** world by focusing U.S. foreign assistance on global development as it was to see those 3-D movies of the **reel** world, a bit behind the times now.

Join us for Adult Forum at 9:15 on May 10<sup>th</sup> to explore together how the “Parable of the Sower” speaks to the need for reforming foreign assistance in order to more effectively reduce hunger and poverty around the world.

Write a letter on **May 10<sup>th</sup>** or **17<sup>th</sup>** at our Letter writing Stations and let our members of Congress know we want to MAKE IT A 3-D WORLD where development joins with diplomacy and defense to help **real** people provide a better life for their children.

**Mark your calendars the CtK and Chapel School grounds work day scheduled for May 9<sup>th</sup>** was cancelled due to the rain. Mark spoke with the excavator and he indicated we would have a mud party, which would slow down our activities and make the work difficult.

**We will reschedule for 5/23,** I know it is Memorial Day weekend, but I am hoping folks could spare 3 to 5 hours to rack out loam. The excavator feels he will be able to get most of the work done prior to our arrival, that Saturday would be dedicated to spreading loam.

We will have a variety of activities that will require rakes, shovels, wheelbarrows, muscles, and Advil. Lunch will be provided and RSVP is requested so appropriate planning can occur. Please contact Mark Peicker at [mark-peicker@comcast.net](mailto:mark-peicker@comcast.net) or Bill McNamara [kapitainkaos@worldnet.att.net](mailto:kapitainkaos@worldnet.att.net) or Millie Bauer at [mbauer@ctknashua.org](mailto:mbauer@ctknashua.org) with your RSVP or any questions.

**FLOWER CHART & ETERNAL LIGHT CHARTS FOR 2009** have been posted in narthex. Cost for the 2 flower arrangements will increase to \$40, and cost for eternal light will increase to \$5 beginning Jan 1st. Please sign up for your special remembrances & use payment envelopes available by charts
